

Featuring brands of the summer:

BLACKFIN

The Blackfin collection is comprised of many product families covering everything from rimless, full-frame, combination, and sunglasses. Handcrafted in Italy from the purest Japanese titanium.

L.G.R.

The L.G.R. collection combines the adventure of Africa with the glamour of the Italian Riviera and is best described as “Timeless Elegance”. Each frame is entirely handmade in Italy by three artisanal families, who build each frame from start to finish using traditional methods of production in order to deliver an authentic and noble product.
